Personal Trainer, Student Wellness Centre, Fanshawe College

Description

Health Systems Group www.healthsystemsgroup.com, a national provider of professional consulting and management services in fitness, recreation and wellness, has an opening for a Personal Trainer at the Student Wellness Centre at Fanshawe College. The SWC, managed by HSG, includes a large Fitness Centre, Wellness / Hoteling Rooms, Rock Wall and Membership Desk.

Responsibilities

The Personal Trainer is responsible for promoting and delivering personal training services that ensure clients receive professional exercise instruction with the utmost attention to personal safety, in an environment that nurtures personal empowerment. The Personal Trainer reports to the Personal Training Coordinator and Program Manager and is expected to follow all Student Wellness Centre / Health Systems Group procedures and protocols and follow their certification scope of practice.

Qualifications

The Personal Trainer must hold a diploma or degree in Fitness, Physical Education, Kinesiology or equivalent. They must also hold designated certification with either the Canadian Society for Exercise Physiology (CSEP), Ontario Fitness Council (OFC), Canadian Personal Trainers Network (CPTN), or equivalent. The Personal Trainer must have a proven track record of excellent customer service, reliability, trustworthy and exemplary communication skills.
