

GOLF SIMULATOR

- Who can use the simulator?
 - o The golf simulator is included in your Student Wellness Membership (fitness floor, golf simulator, rock wall and squash). If you do not currently have an active membership (online student, break, ect) you will be required to purchase one before you can use the simulator. At this time the simulator is only available for student use.

- Do I have to bring my own clubs?
 - o No! We provide golf clubs, both left and right sets. If you would like to bring your own clubs in, they must be cleaned thoroughly and the clubs will be inspected prior to entering the golf simulator.

- Can I bring a friend with me who is not a student?
 - o Unfortunately friends or family who are not current Fanshawe students cannot gain access to the golf simulator. All members must have a valid student card on them.

- Will someone show me how to golf?
 - o We are now offering our Learn to Golf sessions. You can book in for a session to learn the basics of a golf swing as well as the basics of golf. Learn to golf sessions can be booked through the Fanshawe Fitness Centre app or through our website at studentwellnesscentre.ca

- How do I book the simulator if I just want to play?
 - o Again all sessions can be booked through the Fanshawe Fitness Centre app or through studentwellnesscentre.ca. Please note the golf simulator is only available at certain times so please check the schedule.
